KNOWLEDGE

Programming Languages: Experience in programming with Python, Java, JavaScript, and C#. Basic familiarity with libraries and frameworks such as React and Node.js, coupled with a continuous willingness to learn new technologies.

Version Control: Use of GitHub for project management and team collaboration.

Artificial Intelligence: Knowledge of basic principles in artificial intelligence, with a strong desire to deepen expertise in this rapidly evolving field.

Website Administration: Administrator of the website for the Športno društvo Bloke (sd-bloke.si), responsible for regularly managing content and technical aspects of the site.

Other Skills and Experience: Certified Level I cross-country skiing instructor, showcasing excellent communication skills and the ability to work effectively with people.

I am always striving to expand my knowledge and stay up to date with the latest trends in technology and programming.
